NICOTINE WITHDRAWAL

Nicotine is in most vapes and it's very addictive. The more your brain and body get used to having nicotine, and the harder it may cause many uncomfortable feelings and strong urges to withdrawal.

PART 2: DEALING WITH PEOPLE

Sometimes the people you used to vape with may encourage you. It can be frustrating and discouraging. However, thinking about how to help you to prepare a response and stick to your plan.

What will you say if your friends ask you to vape with them?
